

Office of Spiritual Life & Mission New Ministry Application

Please Read

Thank you so much for your interest in starting a new ministry on campus. We believe wholeheartedly in the Biblical principle of the “priesthood of all believers” and we are excited to see how God will use you to positively impact our campus. Please keep a few things in mind:

- Submitting an application does not guarantee that your ministry will be approved outright.
- If there is a problem with your application, we are committed to assisting you until your ministry is approvable.
- Approval does not mean that OSLM will be able to provide financial support, but we will make as many resources as possible available to aid in the success of your newly founded ministry.
